THE NEW STEAMBOAT LAW.

Caution to persons using steam power to conform to the Law. T AM manufacturing all the necessary instruments required to secure a certificate from the Government Inspectors, they having granted certificates to those boats having my instruments on them. My Water Guage for boilers, my Steam-pressure Guage, my Marine Chronometer, with pressure guage attached, giving the correct time of day, is an invaluable acquisition to any steamboat or mill; and my Improved Fuscable Metallic Plug for boilers, which can be inerted without blowing off the boiler, if one plug is melted .-All the above instruments are manufactured by myself; and baving had thirty years practical experience in the Steam engine, gives me full confidence in the working qualities of the above. A fuller description will be sent to any part of the Union, by addressing JOSHUA LOWE, No. 47 Dey-st., from yessel, at 522 cents @ bushel, 90 days.

three weeks since was wounded severely in his thigh, with sharp hack, opening a gash three inches in length and an inc or more deep. I tried various articles to heal it; but inflamation getting into it caused large quantities of matter to collect, and the limb was quite stiff. A friend of wine asked me if I had tried the Mustang Liniment to which I replied in the negative, but thinking it might do some good, was induced to try it. I had only used one half bottle when the inflamation began to be removed and the wound to heal. Now it is entirely healed and the buir is growing over the wound, making it look as well as ever-Hoping that others may be benefitted by a trial of your valuble ompound, I remain yours, PRICES-The Liniment is put up in 3 sizes, and retails for 20 cents. 5C cents and \$1 per bottle.
